For Rent : **€ 450**

Description
Set on the semi-basement level, this renovated 31 sqm residence combines a comfortable living area with a separate bedroom and bathroom, creating a well-organised layout for everyday living. The property is offered fully furnished, allowing for immediate occupancy without the need for additional setup.

One of its distinctive features is the garden, providing valuable private outdoor space and adding a sense of openness that is uncommon for a residence of this size. The apartment is equipped with central oil heating and benefits from an established residential setting.

The location is especially convenient for those connected to the medical and academic community, with the Medical School and several major hospitals within approximately a five-minute walk. The surrounding area also offers a variety of cafés, restaurants and bars around Agiou Thomas Square, creating an active neighbourhood atmosphere while remaining practical for daily needs.

Goudi – Agios Thomas

Agios Thomas is one of Goudi’s most practical residential pockets, benefiting from its proximity to the medical and university institutions around the area. Agiou Thomas Square provides a local hub of cafés, restaurants and everyday amenities, while Megaro Moussikis and Ambelokipi metro stations are approximately ten minutes away on foot, offering convenient connections across Athens.
